Buzzing Airwaves: Southwest Florida Regional Hamfest 2026 Set to Be the Premier Event for Amateur Radio Enthusiasts

FORT MYERS, FL – November 12, 2025 – The buzz is building across the amateur radio community as the *Southwest Florida Regional Hamfest* prepares to return to Fort Myers! Mark your calendars for **Friday, January 16 (Noon–5 PM)** and **Saturday, January 17 (8 AM–3 PM), 2026**, when the air-conditioned halls of **Florida SouthWestern State College** transform into the epicenter of innovation, education, and excitement for radio enthusiasts from across the region.

Hosted by the **Fort Myers Amateur Radio Club (FMARC)**, this annual event is much more than a swap meet — it’s a celebration of discovery, community, and the science behind radio communication.

“Our Hamfest isn’t just about buying and selling equipment; it’s a celebration of learning and discovery,” said **Carmine Ventrano**, President of FMARC. “We’re here to empower people with the knowledge and skills to engage with amateur radio—whether for emergency preparedness, scientific exploration, or simply connecting with others around the world.”

Hamfest 2026 will feature a dynamic lineup of presentations from industry experts and innovators, covering today’s hottest topics in amateur radio technology and operation.

Featured Presentations Include:

- **ARRL Southern Florida Section Meeting** – *Barry Porter, KB1PA*
- **What’s New at DX Engineering** – *Tim Duffy, K3LR, President, DX Engineering*
- **C4FM Fusion** – *Bill “Bucky” Buckwalter, W0SUN*

- **Remote Operations** – *Alex Cochran, KB4LX*
- **DC in the Hamshack by Paradan Radio** – *Dan Gavereaux, N1ZZ*
- **Ham2K Parks on the Air App** – *Sebastian Delmont, KI2D*
- **Flex Radio** – *Michael Walker, VA3MW*
- **DigiRig** – *Denis Grisak, K0TX*
- **Digital Confusion** – *Bucky Buckwalter, W0SUN*
- **Introduction to NXDN** – *Paul Toth, NB9X*

With exhibits, equipment vendors, demonstrations, and educational sessions, Hamfest 2026 promises something for everyone—from newcomers curious about the world of radio communication to seasoned operators eager to connect, learn, and exchange ideas.
